Indian Society of Head & Neck Radiology 6th ISHNR Annual Conference 2025

INDIAN SOCIETY OF
HEAD & NECK
RADIOLOGY

Invitation

Cordial Greetings from Rishikesh!

We are delighted to extend a warm invitation to the **6th Annual Conference of the Indian Society of Head & Neck Radiology (ISHNR) 2025**, scheduled to be held at the esteemed **All India Institute of Medical Sciences (AIIMS), Rishikesh**, from **10th to 12th October 2025**. This prestigious event promises to offer a rich platform for scientific exchange, academic excellence, and professional advancement in the field of Head and Neck Radiology. This year's ISHNR conference promises to be a landmark gathering, featuring not only **Eminent National Experts** but also a **Distinguished lineup of International Faculty**. Together, they will deliver comprehensive insights into a wide spectrum of topics in Head and Neck Radiology.

This year's conference is thoughtfully curated to provide a rich and rewarding experience, featuring a wide spectrum of sessions tailored to the dynamic landscape of Head and Neck Radiology. Our conference boasts high scientific content, ensuring that attendees are exposed to the latest advancements and research in Head and Neck Radiology.

We are also proud to present **Two Enriching Workshops** alongside the high-caliber scientific and academic content of the conference. Workshop on **Ultrasound Neck Imaging and Guided Interventions** is designed to impart practical skills and actionable knowledge in ultrasound-based evaluation and interventions for the Head and Neck region. Participants will gain direct experience under expert guidance, enhancing their confidence and clinical proficiency in applying ultrasound in daily practice. Workshop on **Head and Neck Malignancies and Reporting Guidelines** focuses on the comprehensive imaging evaluation of Head and Neck cancers, with an emphasis on standardized reporting practices. Led by esteemed faculty with vast experience in oncologic imaging, it aims to strengthen your diagnostic acumen and reporting consistency in managing complex Head and Neck malignancies.

Our **Scientific Oral Paper Presentations and Educational Exhibits e-Poster Sessions** offer a dynamic platform for sharing innovative research and interesting clinical cases. These sessions are particularly beneficial for those passionate about Head and Neck Radiology, including postgraduate students and residents, offering them a unique opportunity to showcase their work, engage in academic exchange, and receive constructive feedback from leading experts in the field.

We are optimistic that this conference will be a landmark event, setting new standards in Head and Neck Radiology. With the expertise and dedication of our faculties, we are confident that participants will leave with enhanced knowledge and skills, ready to contribute to the advancement of our field.

We look forward to your active participation and to welcoming you to what promises to be an outstanding conference.

Warm Regards
